Premium Outdoor Refrigeration

Make the great outdoors even better

The Marvel Outdoor Series is the perfect match for your professional-style outdoor kitchen. Our beer dispensers, refrigerators, and ice machines are built with commercial grade stainless steel that has been salt-spray tested for corrosion resistance. The full length handles and pro-style toe kicks add an elegant yet rugged distinction perfect for outdoor living. Flexible shelving options give you total adjustability, and advanced cooling systems keep your beverages and food at the perfect temperatures.

Marvel Outdoor products are manufactured to the same stringent standards as those we design for our medical, scientific, and industrial customers, and are UL Listed for outdoor use. Trust Marvel for long-lasting performance.

Outdoor refrigeration from the experts

This new line of premium outdoor refrigeration products is the result of 70 years of leadership in the undercounter market. Look closely at our flawless fit and finish and professional-style detailing. Experience the smooth, solid mechanics of our drawer glides and door hinge systems. We think you'll agree that Marvel Outdoor offers unmatched style and value.

Proudly built in the U.S.A. by the pioneer of premium undercounter refrigeration.

Beer Dispensers

24" 60HK-SSX-B

24" 60HK-SS-B

Beer Dispenser Shelving Options

- Two removable stow-on-board metal shelves
- Stores half, quarter, or 1/6 barrel kegs
- Exclusive shelf design converts to a full refrigerator when you aren't storing kegs or frosted mugs
- Can be portable, freestanding, or built into 24" wide opening
- "Close Door Assist" hinging system for efficiency and temperature control
- Automatic defrost
- Includes all necessary tapping equipment – draft tower, hoses, 5 lb. CO2 tank and regulator, and interior floor shield to protect inside liner
- Right or Left hinge door
- Standard door lock
- Exterior cabinet 33 3/4" H x 23 7/8" W x 24 1/2" D

Refrigerators

15" 3OARM

24" 6AROM

- Dynamic Cooling™ Technology for superior temperature control and fast cooling recovery between 35° and 43° F (24" model only)
- Full length professional-style handle and stainless steel toe kick
- Solid, corrosion-resistant stainless steel door and cabinet
- Two cantilever glide-out stainless steel shelves, 1/2 width stainless steel shelf, and three door shelves for maximum storage capacity and flexibility
- Blue LED temperature controls and day light incandescent interior light
- "Close Door Assist" hinging system
- Right or Left hinge door
- Standard door lock
- 3OARM 33 3/4" H x 14 3/4" W x 23 3/4" D
- 6OARM 33 3/4" H x 23 3/4" W x 23 3/4" D

Refrigerated Drawers

24" 6ORDE

- Dynamic Cooling™ Technology for superior temperature control and fast cooling recovery between 34° and 42° F
- Full width professional-style handles and stainless steel toe kick
- Solid, corrosion-resistant stainless steel doors and cabinet
- Extra-deep lower drawer stores most 2-liter and wine bottles standing up
- Self-closing "soft-close" drawer glides
- Blue LED temperature controls and bright white LED interior light
- Standard drawer lock (locks both drawers)
- 33 3/4" H x 23 7/8" W x 24 1/4" D

Ice Machines

15" 3OiMT

- Clear ice maker uses unique process to remove impurities and preserve beverage flavor
- Specially designed drain pump motor and impeller reduces startup and operational noise
- Sound buffering ice deflector
- Stainless steel ice cutter produces 34.5 lbs. of cubes in 24 hours
- Solid stainless steel door, full length handle, and toe kick
- "Close Door Assist" hinging system
- Right or Left hinge door
- 33 3/4" H x 14 3/4" W x 23 3/4" D

Marvel's clear ice machines utilize a process called fractional freezing that removes impurities. The result is a clear, pure cube sized and shaped to cool your beverage quicker while taking less room in your glass.
